

# *Ace Point Match VBC High School Try-Out Prep Clinic*

APM coaches (several are high school coaches) will advise the players on the qualities and skills high school coaches are looking for, drill the players on all skills of the game, provide input on how to improve their skills, and give the girls another opportunity for a lot of ball touches and practice prior to try-outs. Individual assistance will also be provided with a great coach-to-player ratio!!

First night will involve drills and instruction. On the second night, we will run a "mock" try-out with evaluation and feedback provided.
